## **NEW BUSINESS**

- Miles For Music Feedback - \$1283 Profit, \$1K came in the day of the race with day-of registrations. Discussed having teams and puppy parade for future years. Registration might be smoother if we can have the race pickup packets already assembled. KCBA member to attend all packet pick up times to alleviate any confusion. Have the Kids 1K start earlier with a staggered start by age. Increase signage for course and more volunteers. The DJ totally ROCKED.
- **2017 – 2018 Budget** – Reviewed budget for next year. Using a general format, if details are needed, just ask and they can be shared. The guard will have 2 fees (winter and fall). Discussed the clinician fees with details provided by Rugila. We expect to have an increase in band size (250) and we will need more techs on the field and this includes guard and percussion. There is a desire for concert and varsity band members to attend Solo & Ensemble, so additional lessons will need to be provided. This is adding to the increase cost for concert season. Winter Guard includes JV, Varsity and techs. The outdoor season number is off, Cheryl will review and adjust. The mattress sales will become a fundraiser for KCBA. Spirit sales will go to the activity fund. We need to improve numbers Sponsorship, will table for May meeting discussion.
- **Nominating Committee** – Working to provide list of nominations for open positions (Feed The Band, Hospitality, Business Ads, Pit Crew, Program ad Sales, Banquet Committee). Carol Rendl is interested in Secretary position with the Executive board. Have opening for Fundraising chair. More to come as we work to get nominations ready for Spring Concert announcement for confirmation.

- **Band Directors Report** – Nothing at this time, will send info in weekly email, includes upcoming UIL competitions and Spring Concert
- **Adjourned at 8:26 pm with a motion by Shelley Harrington and second by Shelly Lieder.**
